

HOW TO REACH US?

The Ljubicic Tennis Academy is located on the island of Losinj in Croatia. From January 1st, 2023. Croatia is a part of the Schengen zone so there are no borders between Croatia and the neighboring EU countries (Slovenia and Hungary).

ARRIVAL BY CAR

During the summer season the traffic along the Croatian coast can be heavy. To be able to drive in Croatia you need to have the green insurance card and a valid driver's license. Tools are charged on highways. Due to high traffic, we advise that you arrive to the ferry port well ahead of time.

FERRY SCHEDULE

There are two ferry ports that can be options for travelling to the island of Losinj. We mostly recommend Valbiska because the roads on that side are better and the trip is easier. The other options is Brestova. Brestova usually has less traffic than Valbiska but the road is narrower and, once on the island, the trip is about half an hour longer than from Valbiska side. CATAMARAN

If you decide to fly to Pula or Zadar or to take the train to Rijeka, there are direct catamaran sailing lines to Losinj once per day in case you prefer to arrive without the car. Please click [here](#) for the sailing schedule.
